Annual Report

2008-2009

Dear Hyde Community Member,

My Hyde education taught me the importance of giving back. As a matter of fact, I can remember an Annual Fund campaign slogan from my own student days called “Growth Through Giving.” We were taught that personal growth was the ultimate aim of our education and asked to consider the notion that we should not expect to experience such growth without giving.

With this in mind, I thank you for your gift to Hyde Schools. Your support is crucial to Hyde. While tuition costs have never covered the full cost of educating each Hyde student, this year has found us putting the sharpest pencil to our budget that any of us can remember. Suffice it to say that every dollar of philanthropic support is deeply appreciated.

Not only is your support critical to our budget, I doubt I could overstate what it does for our institutional confidence. Having been a teacher and coach myself, I know that our faculty members trudge home after many a long day and wonder if their efforts are really worth it and if they will bear any meaningful fruit. The support of so many of you gives them and all of us an inspirational answer. Whether you are a current or past parent, an alumnus, an alumna, or a friend, please know that your support serves to strengthen our resolve to keep delivering the quality of teaching and service that inspires your own sense of philanthropy. It also helps us to look toward the future with confidence and optimism.

On behalf of everyone at Hyde, many thanks for your gift.

Onward,

A handwritten signature in black ink that reads "Malcolm Gauld". The signature is written in a cursive, flowing style.
