Dear Friends,

Have you ever heard of an annual appeal that didn’t make the above claim? I know it sounds trite, but it’s absolutely true, especially at Hyde.

I write this letter after having just completed the 2010 Summer Challenge Family Weekend in Woodstock. As always, it was a powerful affair. Summer at Hyde always is given that all the students and families are new. The final weekend reflects a fresh dynamic, unlike any other at our schools.

During my time in Woodstock, I had the opportunity to view the progress on the extensive renovations being done to the Westhaver Dorm. Furthermore, it was positively uplifting to see how the efforts to beautify the campus a few years ago—gardens, walkways, saplings on the campus walks—are bearing fruit today.

Upon my return to Bath, I plan to get a workout in on the new turf field – truly a Godsend for Hyde athletes. On my jog over to the field, I will pass by the beautiful new renovation of the front steps of the Mansion. Each one of these developments is a testament to the notion that every little bit helps. Whether you chose to contribute directly to any of these projects, gave to the general fund, or earmarked your gift to Hyde for another specific purpose, you helped make our progress possible.

In all, you joined hundreds of people who gave over $1,500,000 to support the educational programs and facilities at Hyde. This generosity gave us the dollars and the confidence to move ahead on a wide variety of fronts, many of which you may not even be aware. But that is what it takes to run quality schools as the tuition dollars do not cover the full cost of the education. They certainly don’t allow us to do things like fix the steps of the Mansion, build turf fields, and renovate dormitories. Only people like you make that possible.

All of us at Hyde are fully aware of the fact that these are difficult times. All of us are also trimming back our expenses. This includes our philanthropic gifts. That you chose to reach a little deeper and find a place for Hyde in your priorities is especially meaningful to all of us and makes a real difference in the lives of our students, faculty, parents, and staff. As an alumnus, an employee, the father of two graduates, and the spouse of a Hyde head of school (!), I thank you from the bottom of my heart, and pledge that we will continue to strive to be worthy of your belief and confidence in our efforts.

Onward,

Malcolm Gauld ’72
