3-5 pairs athletic shorts (quick dry)
3-5 athletic t-shirts (cotton or quick-dry)

Miscellaneous clothes and equipment for days and evenings of varied activities:
Pair of jeans or other sturdy long pants
T-shirts (without holes; no propaganda, inappropriate statements, tobacco/alcohol/drug labels)
One medium-weight fleece jacket
Bathing suit (one piece or tankini for girls; I ned trunks for boys)
Sunglasses
Feminine hygiene products
Journal & pens
Waterproof sunscreen

Why Dress Code & Dorm Décor Matter

The Hyde School dress code plays a significant role in creating an atmosphere of self-respect and community pride. The daily program requires different dress, depending on the activity, but a neat, neutral, and modest appearance is expected each day. A student’s hair style and facial hair are included.

Students are encouraged to work with mentors and faculty in the dorms to start each day in appropriate dress. A student may be asked to change their dress if clothes do not fit appropriately and modestly, or do not represent that student’s best.

Excessive or image-related jewelry is unacceptable. Body and facial piercing, gauges and tongue rings are not permitted for either gender. Please plan to remove piercings prior to arriving at Hyde. Boys may not wear earrings.

The Hyde School dorm culture strives to be safe and nurturing. Cleanliness, music choice, and décor must honor the norms of a developing character culture.
DO NOT BRING

Expensive or sentimental objects of value
Substances (i.e. alcohol, tobacco products including e-cigarettes and nicotine replacement, drugs or drug paraphernalia, diet pills, non-prescription nutritional supplements or medications)
Suggestive or off-color room décor or materials
Large screen gaming systems or TVs
Novelty lights, hot pot, high intensity lamps or other heat producing items restricted by dorm fire code
Matches, lighter, or incense
Pocket knives or multi tools
Pets of any kind
Refrigerator

Cell Phone or Smart Phone ** (please read below)

Thoughts on Technology this Summer

Hyde School asks that students in the summer program leave cell phones at home for four weeks. Although we have all become accustomed to constant and immediate electronic communication, Hyde recognizes the need for students to “unplug” a bit in order to develop habits of self-reflection and to foster a sense of community. Parents, family, and friends at home will need to forgo the daily (or more!) phone contact to increase adolescent independence. Written communication via email, text, or snail mail is encouraged.

Please read the 2010 Chicago Tribune article included here for further thoughts on this matter: http://tinyurl.com/Teens-parents-and-cell-phones

Wilderness Camping Trip: To help us develop community cohesion and face a challenge, we will all go on a camping trip that has a few equipment needs of its own.

III. ESSENTIAL ITEMS for Wilderness Camping:

1 lightweight, long-sleeve, quick dry shirt (for bug and sun protection)
1 pair lightweight, quick dry long pants (for bug and sun protection)
1 set medium-weight synthetic long underwear (top & bottom)
1 swimsuit (one piece for girls; lined trunks for boys)
3 pairs of medium-weight wool and/or synthetic socks (sturdy but breathable)
1 pair of hiking boots (lightweight, sturdy) – or – cross-trainers with ankle support – broken in
1 pair of sandals or water shoes for swimming (not Flip-Flops)
1 set of lightweight and portable rain gear (jacket and pants)
1 lightweight hat with brim (for sun protection) & a warm hat for chilly Maine evenings
1 pair of sunglasses (with case and neck strap)
1 medium-weight backpack / large day pack (internal or external frame)
1 sleeping bag good to at least 20 degrees (synthetic preferred in case it gets wet) with stuff sack
1 sleeping pad
2 large, heavy-duty trash bags plus 5 gallon size re-sealable plastic bags
1 small flashlight or headlamp with batteries
1 or 2 one-quart water bottles
Bug repellent (liquid or aerosol)
Information Sheet

Athletics
It is important that the school be aware of any physical limitations that would interfere with the full and active participation of your son or daughter in all our programs. Please provide the appropriate documentation of any ailments or injuries or physical therapy prescriptions from your child’s physician to the Health Office. If there are questions concerning a student's athletic participation, a second opinion will be asked for by the school. This visit will be the parent’s financial responsibility and will be performed by a school appointed physician. Hyde will contact you prior to this visit.

Phoenix Store
School supplies, toiletries, laundry cards, Hyde clothing/athletic wear, etc… may be purchased at the Phoenix Store.

Damage to School Property
Normal and customary repair to school property due to everyday use is covered by the general fee. Major or deliberate damage to dormitory rooms and other school property will be documented with an estimate of repair cost and sent home for parental information. Payments for these repairs will be expected. A contract to this effect will be signed by both student and parent(s) at the time of registration.

Dress Code
The spirit of the dress code is neat and clean. All students are asked to evaluate their current wardrobe and eliminate any articles of clothing or accessory which result in projecting a negative image. Please refer to the equipment list and the dress code sheet for a more detailed description.

Medical Program: Hyde School Secondary Insurance
If your child is injured during sports or suffers an accident while at school all medical bills will be submitted to your primary Medical Insurance Company. The Health Center will issue a letter of instruction and a school Notification Injury form to the parent/guardian of the injured student. Part II of the Notification Injury form will need to be completed by the parent/guardian prior to submitting to the secondary insurance company. Once your primary insurance has processed the claim and if there is an outstanding balance - mail the Notification Injury form with an itemized bill from the provider and the Explanation of Benefits (EOB) from the primary insurance company to the secondary insurance to be considered for accident/injury medical expense benefits. If there is a remaining balance after all claims have been submitted and processed by secondary insurance it will be the parent/guardian’s responsibility to pay the medical provider directly.

Laundry
The school has card-operated washing machines and dryers for student use. A laundry service may be contracted with a local vendor. Please call C&D Laundry at 207-729-9626 for more information. Dry cleaning service is also available.
Room Furnishings
Each student is supplied with bed, bureau and desk and chair. Students must bring their own blankets, bed linen, pillow, towels, laundry bag, alarm clock, and desk lamp. Radios and stereos are allowed, as well as furnishings which make the room more homelike. **Hot plates, coffee pots, televisions, microwaves, heaters, and other electrical appliances are not allowed.** A lockable storage trunk is also recommended.

Student Cars - (Day Students Only)
Student automobiles may be driven to or from school only with prior authorization of the Dean of Students.

Transportation
Transportation is a variable and separate expense. The school will charter buses to Portland, ME, Danvers, MA, South Station in Boston, Portsmouth, NH, Manchester, NH Airpot and Logan Airport in Boston for the Thanksgiving Break, Christmas Break and March Break. The students will need to sign up if they want the bus service and the cost will be deducted from their bank account. Air transportation is available through the Portland Jetport. Limousine service is available through Mid-Coast Limo at 1-800-937-2424. You are responsible for making arrangements for air transportation or limousine service.

Withdrawals
If the student withdraws without properly notifying the Dean's Office, Hyde School takes no responsibility for personal belongings left on campus. As a courtesy to the family, every effort will be made to locate and pack such belongings for shipment to the family. For this service there will be a $25.00 fee plus shipping charges and a fee of $5.00 per box. Shipping cannot take place until these charges have been paid to the school. Because of shipping and packing problems, bikes and skis cannot be included in this service.

Storage
Hyde School does offer limited storage space for items that your child may want to leave at school during the summer months. All items must be carefully boxed/sealed and be clearly labeled with your child’s name. Please be aware that if your child leaves items in storage, the storage is at your own risk; Hyde School will not be responsible for lost, stolen or damaged items while they are in storage, and Hyde School will not be responsible for repair or replacement costs. Also, if your child does not return for the next school year and items have been left in storage, you must call Mail It 4 U and arrange for items to be shipped home. We do not ship COD.

Student Mail and Packages
Post Office deliveries are picked up at the local post office at 9:00 a.m. Monday through Friday. Mail is sorted in the package room and then sent to the Student Mail House where two students sort the mail into individual boxes. Students are responsible for getting their combinations and box numbers from the Dean’s area. Students who have packages will be listed on a daily Package Slip posted near the package room door with the student’s name highlighted. Students are asked to initial next to their name when the package is picked up. There is no Saturday delivery of mail or packages.
DORMITORY “LIFE SAFETY” REQUIREMENTS

Room decorations:

The maximum allowable wall covering shall be 10% of total wall and ceiling area.
- “Tae” is the only approved product to be used to decorate student walls. (available in the school store) Push pins, scotch tape or staples are not to be used. If damage is done to the walls the student will be charged.
- Nothing is to be hung or attached to the smoke detector head.
- Combustibles (paper, fabric, etc.) are not allowed on the outside of room doors.
- Tapestries are to be “flame proof” and must be hung tight to the wall. Tapestries are not allowed on ceilings.

The following devices and practices are NOT allowed in the dorm:

- Open flame of any kind.
- Electric heaters of any kind.
- Open high wattage halogen “torch style lamps”.
- Irons without “auto off” capability.
- Hot pots without “auto off” capability.
- Personal microwaves or toaster ovens.
- Glue guns, soldering irons, heat lamps or coffee makers.
- Any device that does not have a “UL” rating is prohibited.
- In addition extension cords are to be properly sized for the device served and never run under rugs or carpeting.

Fire egress:

- The exit from each dorm room shall be unobstructed at all times. This includes shoes, sports equipment and laundry.
- Hall doors shall remain closed at all times, never propped open.
- Hall and stairwells are to be kept clear and clean at all times. This means no bikes, skis, skateboards, etc. The Facilities Department can store these items for you in the off season.

Housekeeping:

- Dorm room wastebaskets shall be emptied daily by each resident.

Fire Drills:

- Fire drills will be conducted on a regular basis to familiarize all students with the required procedures.
Hyde School Family Program Overview

The Family Program at Hyde School encourages a lifelong journey of personal and family growth.

**Goals**

**Self-Discovery:** helping each participant to become his or her best self.

**Family Excellence:** understanding the family’s strengths and challenges.

**Hyde Philosophy:** learning about the core beliefs and principles of the Hyde Education.

**Parent Commitment**

There are **three required components** to the year-long program. The first two years have a structured format. Subsequent years allow parents flexibility within the program’s framework.

**Region** — As a global network for Hyde families, the region provides a setting for parents to focus on their own growth. Parents are expected to attend **five regional meetings** (*September, November, January, February, and May*). During the **March** vacation, there is an assigned family activity. The **September** meeting is an all-day mini-retreat; the **January** meeting is an overnight retreat.

**Family Learning Center (FLC)** — The FLC is a two- or three-day workshop held on campus. (Veteran families have the option to attend a wilderness FLC in Eustis, ME.) Parents choose a date which best fits their schedule from an FLC calendar provided by Family Education Dept. each spring.

**Family Weekends** — A time when the entire community gathers, family weekends provide an opportunity to highlight student growth, work on family renewal and reaffirm the mission of the school. Two family weekends are held each year: one in **October** and one in **April**. These weekends begin on Thursday night and end on Sunday at noon.

**Parent Participation**

The family program is open to all parents and committed adults. Full participation involves a willingness to do one’s best. Hyde recognizes that conflicts may arise and the Family Education staff will work closely with each family to create a successful partnership which will ultimately benefit the student.

*Parents who participate in the program have an opportunity to graduate with a Hyde Parent Diploma on the morning of their child’s commencement.*
