Concessions

Hyde School will be selling limited concessions in the gym lobby throughout the tournament. We will also be selling meal tickets for our dining services, which will be open for service to our guests throughout the day on Saturday.

Meal tickets may be purchased in the gym lobby for \$5 per person per meal. Breakfast and lunch will be open to the public with ticket purchase and be served in the dining hall, located in our Union just a short walk from the gym.

Access to the tournament dashboard coverage on FloArena will be provided in the dining hall so that spectators and competitors need not miss a moment of the action.

Coaches may reserve meal tickets for their teams through the registration process and either pre-pay or pay at registration on Friday.

Due to safety concerns, crock pots, hot plates and the like will not be allowed in campus buildings.
