

HYDE SCHOOL ANNUAL REPORT 2014–2015

Dear Friends of Hyde,

First off, many thanks for your support of Hyde's Annual Fund during the 2014-15 fiscal year. Know that you – both the singular and the collective “you” – truly made a difference. How so?

Elsewhere in this report you will see that the \$1.12M annual fund total represents a five-year high. That is, of course, reason to celebrate all by itself. However, a deeper historical look reveals the fact that this total of \$1.12M is actually an all-time high.

Each year we try to do a better job in honoring our mission of helping parents help kids develop the inner leadership they need to discover their unique potential. Suffice it to say that it is extra special when the efforts of the faculty are matched by the support of you: our alumni, parents and friends. It's the very definition of synergy.

At this moment in our history, the inspiring force of synergy is evident in a lot of places when one scans the Hyde horizon:

- It has enabled us to renovate the first of several faculty homes that are planned in order to improve the quality of living for our teachers. Keeping with the theme of extra special, perhaps it is fitting that this initial project was made possible by the gift of a grateful alumnus.
- We are renovating the Bath dining hall. No longer will diners be confronted by the time-honored “slop bucket” as they pass from the kitchen to the dining room. Students and faculty look forward to a significantly enhanced dining experience.
- Renovations are also underway on the Woodstock campus where the rooms in Warren Hall are undergoing a dramatic improvement.
- The success of the Maine Leadership Program, after its second year, inspires us to look forward to bigger and better things in Year 3, including the replication of the program on the Woodstock campus.
- On the uniquely Hyde front all of us were moved by alumni diploma speeches given at Bath by Tom Childs '83, Michael Austin '84 and Marna Chamberlain '90 and at Woodstock by Ally Dubinsky '10.

And we are still feeling good about the progress so many of our spring athletic teams made. For example, not only did the Bath and Woodstock boys win their respective lacrosse league championships, the game between the two schools (in Woodstock during Family Weekend) was one of the most hotly contested athletic events of the year with Bath squeaking out a one-goal victory.

So, as life keeps chugging along at Hyde, I want you to know that your support of our efforts bolsters our collective confidence and resolve. On behalf of all the students, faculty, parents and community of Hyde, I thank you for your generosity. I look forward to celebrating with all of you as we commemorate our 50th year next June in Bath.

Onward,

Malcolm Gauld

President

2014–2015 HYDE SCHOOL ANNUAL REPORT

The 2014–2015 Hyde School Annual Report is published by the Office of Development and Alumni Relations and lists gifts made to Hyde's Boarding Schools in Bath, Maine and Woodstock, Connecticut, between July 1, 2014 and June 30, 2015. The listing of contributors does not include donors who gave directly to Hyde's Charter Schools. Payments on previous year pledges are not included in the acknowledgements.

(Every effort has been made to ensure accuracy and completeness. Please accept our apology for any errors in the Annual Report. If you detect erroneous information, contact the Development Office at 860-963-4720 or nmissino@hyde.edu)

IN MEMORY OF BENJAMIN W. BURLOCK
1994–2014

Ben Burlock began his time at Hyde in 2010 where he quickly emerged as a natural leader. He helped lead the basketball team to a near perfect season his senior year and was a tight-end and quarterback for the football team as well as mid-fielder for the lacrosse team. He graduated from Hyde-Bath in 2013 and attended Tulane University in New Orleans where he was a member of the School of Liberal Arts, planning to major in English. Ben will be remembered for his innate sense of humor, generosity of spirit and self-deprecating style as well as his devotion to those he loved and the uninhibited individual path he elected to follow.
