Dear friends of Hyde,

The 2016-2017 year was incredibly challenging for Hyde School. While we made a strategic decision to move forward with one boarding campus in Bath, Maine, it was difficult to walk away from the over 20 years we had invested into the Woodstock, CT campus. We miss the faculty, staff and friends who chose to remain in Woodstock, though we remain grateful for their continued friendship and support. I know I am not the only one who looks out every morning over the sunken garden in Bath to see the wolf who made the journey from Woodstock, looking over her Wolfpack.

I cannot express enough gratitude for the alumni, HAPA, parents, grandparents, faculty, staff, and friends whose names fill the following pages. Your support of Hyde during this transition was inspiring and we cannot say thank you enough for your investment in the future of this organization. The Annual Fund supports every aspect of what we do at Hyde School. From the academic program, athletics, professional development, Family Education – without it, we would not be able to continue to grow and develop our important work with families.

The Annual Fund together with your Restricted, Capital and Sumner Hawley Society commitments were particularly meaningful in this year of transition and consolidation. It was wonderful to thank so many of you in person for your support during Hyde's 50th anniversary celebration and I hope you will all join us again for our We Are Hyde Reunion weekend and Joey's Jubilee so we can say thank you again. You made a difference this year. Thank you. We Are Hyde!

Gratefully yours,

Erin E. Brown  
Executive Director of Development
